

## **Senior System Operator**

Kernville-Gleneden Beach-Lincoln Beach Water District

Opening date 02-07-2024

Closing date 03-15-2024

### Position Summary:

This position performs a wide variety of duties in the operation and maintenance of the Water District's treatment plant, distribution system and the Sanitary District's collection system. These duties provide assurance of an uninterrupted, adequate supply of safe, potable drinking water and uninterrupted sewer services for the community by protecting the districts systems and ensures that all Federal, State and local reporting requirements are met for compliance. Many of these activities relate to design, installation, inspection, repair, monitoring, purchasing supplies, parts and chemicals.

### Licensing and Other Requirements:

Possess and maintain a valid Oregon Driver's License "or the ability to obtain within 30 days of employment".

Ability to obtain a Confined Space Entry Permit.

Certificate of Water Treatment I, Distribution II, Collections II or obtain within one year of employment.

Must be bondable.

May be required to work after normal business hours in case of emergency and 24-hour response on a rotational basis.

Salary Range: \$65,520 - \$74,048 Annual + Benefits

Complete job description and applications are available at the District Office, 6595 Gleneden Beach Loop, Gleneden Beach OR 97388 or on the District website at [kgblbwater.com](http://kgblbwater.com).
